

LIVING GENDER IN DIVERSE TIMES

16-24 years old?

Interested in taking part in university research
about young people and gender?

Living Gender in Diverse Times is a University of Leeds project exploring what gender means to young people in the UK today.

We would like to invite you to take part in a group interview to share your views and experiences. This will last approximately 1 hour and you will receive a £10 Love2Shop voucher accepted at 20,000+ stores for taking part.

For more info about the project or to get in touch:
